

# Xtra-tec® XT

## 2024 Promotion

**\*\* Promotion Valid Through June 14, 2024 \*\***

### Performance and reliability extend your perspective.

Better performance, greater process reliability: The latest generation in the successful range of Walter milling tools not only meets both these requirements but takes them to a whole new level.

These two defining characteristics, evident in equal measure, are the product of an innovative and pioneering development process that is opening up a completely new perspective on productivity. The name alone means business: XT stands for Xtended Technology.
