

LIMITED TIME OFFER

**Xtra-tec® XT
INCH MILLING BODIES**

Better performance and greater process reliability: The latest generation in the successful range of Walter milling tools not only meets both these requirements but takes them to a whole new level.

These two defining characteristics, evident in equal measure, are the product of an innovative and pioneering development process that is opening up a completely new perspective on productivity. The name alone means business: XT stands for Xtended Technology.

Promotion Details

For the remainder of 2024, receive an Xtra-tec® XT inch cutter body with the purchase of qualifying number of inserts.

Minimum order quantity of inserts to qualify for promotion:
