

2024 Promotion

Free drill body with insert purchase, details below

Perfect performance and precision

D4120

PROGRAM BENEFITS

- High precision in hole diameter with precise balancing of the cutting forces between the center and outer insert
- Separate insert seat sizes provide the ability to optimize center and periphery inserts for high volume production
- Excellent surface quality due to wiper cutting edge
- Hardened and polished flutes for easy chip evacuation and process reliability
- Low cutting tool material costs due to four cutting edges
- Measuring collar for easy cutting diameter identification (even when assembled in the adapter)

Tiger-tec[®]Gold

Center inserts

Outer inserts

A57 – The strong geometry

E57 – The universal geometry

E67 – The sharp geometry

Promotion Details

Buy any 30 inserts of P484* style (for center or outer position or as combination) and get the tool for free. Promotion runs from September 15th, 2024 to December 27th, 2024.

P4840. = Ground Insert
 P4841. = Pressed Insert
 P484.C = Center (Inner) Insert
 P484.P = Periphery (Outer) Insert
 A57, E57, E67 are different chip breaker geometries.
 Some geometry and grade combinations not available in all sizes

HC = Coated carbide
