

LIMITED TIME ONLY!

GET THE TURBOCHARGED SPEED YOU NEED FOR LESS!

POW • R • FEED

M936

- **Enhanced Ramping**
Proprietary end face allows smooth, aggressive tool entry
- **Virtually Clog-Free**
Unique flute and core designs ensure uninterrupted cutting
- **Superior Cutting Edges**
Built to endure, even under extreme conditions

M936C

- **Chip Management System**
Eliminates chip pollution, even in tight pockets and confined spaces

Learn how the M936 and
M936C can maximize your
metalworking potential!
