

COUNTERSINKING SOLUTIONS

SHAVIV offers several alternatives for countersinking and deburring of holes

Rotoburr Set

Offset Countersink Holder

for Fast & Easy Continuous Deburring & Chamfering Includes Handle, Rotoburr Holder & F20 (20mm) HSS Countersink

Part	PRICE	Handle w/ROTOBURR & F20
155-00338	\$55.05	MANGO II 
155-00339	\$63.96	ALUMINUM 

FR Set

Ratcheting Countersink Holder

for Steady Chatter-Free Style Deburring & Chamfering Includes Handle, Ratcheting FR Holder & F20 (20mm) HSS Countersink

Part	PRICE	Handle w/FR HOLDER & F20
155-90072	\$55.88	MANGO II 
155-00223	\$64.83	ALUMINUM 

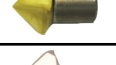

F Set

Original Manual Style Countersink Holder

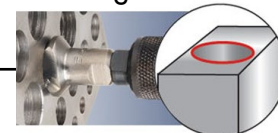

for Less Aggressive Deburring & Chamfering Includes Handle, Original F Holder & F20 (20mm) HSS Countersink

Part	PRICE	Handle w/F HOLDER & F20
155-90071	\$44.03	MANGO II 
155-00222	\$52.04	ALUMINUM 

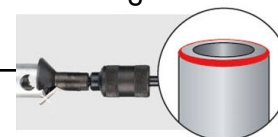

F SERIES COUNTERSINKS - Compatible with "Rotoburr": "FR" & "F" Holders
Available Separately

F12	151-29049	Countersink for hole-edges with up to 12 mm (.47") diameter.	\$19.88	
F12P	151-00159	PVD TiN coated for high wear resistance. Countersink for hole-edges with up to 12 mm (.47") diameter.	\$40.07	
F20	151-29050	Countersink for hole-edges with up to 20 mm (.78") diameter.	\$27.21	
F20P	151-00160	PVD TiN coated for high wear resistance. Countersink for hole-edges with up to 20 mm (.78") diameter.	\$52.64	
F30	151-29051	Countersink for hole-edges with up to 30 mm (1.18") diameter.	\$47.10	
F30P	151-00161	PVD TiN coated for high wear resistance. Countersink for hole-edges with up to 30 mm (1.18") diameter.	\$84.39	
F26X	151-29147	Excellent for external chamfering of pipes, tubes and other items with up to 26 mm (1.02") diameter.	\$37.68

TiN Coated MULTI-PACKS – “B” and “E” Series

Individual blades which fit into “B” and “E” holders and handles by SHAVIV.
Multiple styles of blades cover several different deburring applications.

Part 155-00252

Classic EDP# 29275
Standard Duty
TiN Coated “B”
MULTI-PACK Blade Set

Includes : (2ea of B10P,B11P,B12P,
B20P & B30P) “B” Style Blades

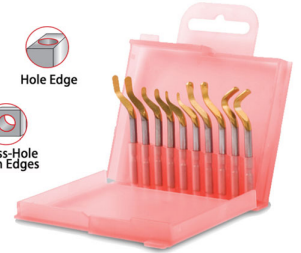

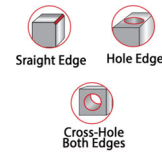

Price: \$33.49

Part 155-00251

Classic EDP# 29274
Heavy Duty
TiN Coated “E”
MULTI-PACK Blade Set

Includes : (2ea of E100P,E110P,E111P,
E200P & E300P) “E” Style Blades

Price: \$41.79

The SHAVIV “**GOLDEN SETS**” give you several different styles of TiN Coated, high wear resistance blades to handle multiple deburring applications.
Each Set includes our Heavy Duty Aluminum Handle, a blade holder, and a “Multi-Pack” which features two each of 5 different style blades.

Available in Both “B” and “E” Blade Styles

Blade Style	Application
B10P / E100P	High Resistance Wear – For Straight & Hole Edge Applications
B11P / E111P	Extra Thin Nose - For Smaller Straight & Hole Edge Applications
B20P / E200P	Blades are chamfered to rotate clockwise and counter clockwise
B30P / E300P	Made for simultaneously deburring the inside & outside of holes
B12P / n/a	Short Nose Design – For Straight & Hole Edge Applications
n/a / E110P	Features a B10 Cutting edge for materials with spiral chips

GOLDEN SET B – For Standard Duty Applications

Part 155-00258 Aluminum Handle with “B” Holder
(2ea of B10P, B11P, B12P, B20P & B30P) B Style Blades – Classic EDP# 29280

Price: \$53.79

GOLDEN SET E – For Heavy Duty Applications

Part 155-00259 Aluminum Handle with “E” Holder
(2ea of E100P, E110P, E111P, E200P & E300P) E Style Blades – Classic EDP# 29281

Price: \$62.04

TiN Coated AEROBURR SETS

Customized for the unique applications required by aerospace industries. Contains thin nosed TiN coated blades that are designed to deburr curves and small holes at 1/16” (1.5mm)

Part 155-00231

Classic EDP# 90110
Standard Duty
AeroBurr Set B11P

Includes 1 Mango II Handle,
“B” Blade Holder &
5 B11P Blades

Price: \$24.45

Part 155-00232

Classic EDP# 90111
Heavy Duty
AeroBurr Set E111P

Includes 1 Mango II Handle,
“E” Blade Holder &
5 E111P Blades

Price: \$26.85

TRI-FLUTE CHAMFERING KIT

Part 154-00031

Classic EDP# 90097

Price: \$119.13

Overall Length: 1 1/2 in
Shank Dia. 3/32 in
Material: High Speed Steel
Kit Content: 1/2 in Solid HSS Countersinks,
13/16 in, 5/8 in, B12 Fixed Blade, Finishing Bit
Primary Material Application: Aluminum, Copper, Plastic, Steel

ZERO-FLUTE CHAMFERING KIT

Part 154-00032

Classic EDP# 90098

Price: \$133.43

Overall Length: 1 1/2 in
Shank Dia. 3/32 in
Material: High Speed Steel
Kit Content: 1/2 in Solid HSS Countersinks,
13/16 in, 5/8 in, B12 Fixed Blade, Finishing Bit
Primary Material Application: Aluminum, Copper, Plastic, Steel
